## Chapter 10. Lease of Property for Military Training

**IC 20-12-10-1****Authorization to lease**

Sec. 1. The State Teachers College Board, the trustees of Indiana University and the trustees of Purdue University respectively are hereby authorized to lease for a nominal or substantial consideration, for a period of time not in excess of thirty (30) years, and on such other terms as they may determine, any land which they may now own or hereafter acquire from any source, in trust or otherwise, to the United States of America for the establishment of military, naval and scientific training schools and institutions.
